

Outreach in Australia

In Melbourne, Celebrate Messiah has been reaching out to both English speaking and Russian speaking Jewish people and we have planted a messianic congregation called [Beit](#)

[HaMashiach](#)

Beit HaMashiach provides the community with Hebrew classes, an Art Gallery, Ministries for our Children, Youth, and Young Adults, an outreach to Russian speaking Jews called Dom Missi'ee, a bookshop with resources on Messianic Judaism and an Outreach ministry called Tikkun Olam, which provides food parcels to Jewish people in need. Celebrate Messiah also has an outreach team in Sydney and the Sunshine Coast.

Celebrate Messiah is currently undertaking the building of the first custom-made Messianic Centre and Synagogue in the Southern Hemisphere, which will provide for the rapid growth of all its current ministries, for the purpose of providing a mission and ministry facility as a vital means of reaching out to Jewish people in Australia and abroad. Today Celebrate Messiah has a network of messianic outreaches and fellowships across the Far East of Russia, Siberia and the Ural mountains.
