Outreach Israel

Is there a special place in your heart for Israel? Do you want to be part of ministering on the edge in a place that is desperate for authentic peace? Are you between the age of 18 - 35?

Outreach Israel is a short-term missions program designed to bring you face to face with Israelis for the primary purpose of relational evangelism as well as encouraging the local believers in Messiah. Time will be spent in practical activities such as; meeting and encouraging believing young people (Jewish and Arabic believers); helping the poor and needy; reaching out to Holocaust survivors and supporting local messianic congregations. The Lord will use you mightily as you reach out to Israelis, hear their stories and share yours!

The next **Outreach Israel** trip will be from the 1-15 February 2012. Log on to our website or call our office for more information.

Outreach New Zealand

Our Messiah commanded His disciples to bring the Good News "to the Jew first" (Rom. 1:16) and "to the end of the earth" (Acts 1:8). There you have it, Jewish evangelism in New Zealand!

In the midst of intense natural beauty at the end of the earth, we will backpack alongside Israelis and other international travellers and share Messiah in relevant and relational ways - engaging in conversations, sharing our own spiritual journeys, and reading Scriptures together with seekers. It's an amazing opportunity to care for, invest in and share Yeshua with Israeli travellers as you experience the beauty of God's creation yourself.

This ministry is a partnership between Celebrate Messiah New Zealand and Chosen People Ministries and usually the teams are made up of participants from Israel, the U.S, Australia and beyond. On **Outreach New Zealand** you are assured to meet interesting people and build lasting relationships, which is especially easy given the worldwide usage of social networking. This outreach is for ages 18-35 years old.

Experience Jewish Missions Australia

Our **Experience Jewish Missions** events are designed to give the participants a "taste" of Jewish ministry and become more familiar with Jewish culture and history. This 3 day mission experience will include:

Visiting Jewish museums; a seminar on Jewish evangelism; attending a synagogue and lecture; attending a messianic congregation; and of course, eating Jewish food.

This short-term mission experience is designed for all ages. Please logon to our website or call our office to find out when the next **Experience Jewish Missions** event is being held.

Simcha National Messianic Conference

Simcha means "a joyous occasion" and that is exactly what our annual conferences are; a joyful gathering of believers from across Australia. The vision for **Simcha** is to gather together in unity, to hear excellent Bible teaching from messianic leaders from around the world and to pray and work together for messianic revival amongst Jewish people in Australia and abroad.

Simcha provides excellent facilities and a dynamic program for the whole family with wonderful messianic worship and celebration.

The next Simcha Conference is from the 25-27 November 2011. Register online or call our office for more information.
