

Is there a special place in your heart for Israel? Do you want to be part of ministering on the ground in a land that is yearning for authentic peace? Are you physically fit and very active?

Outreach Israel is a short-term missions program designed to bring you face to face with Israelis for the primary purpose of relational evangelism as well as encouraging the local believers in Messiah. Time will be spent in practical activities such as meeting and encouraging Jewish and Arabic believers, helping the poor and needy, reaching out to Holocaust survivors, and supporting local messianic congregations. We will be staying in communal accommodation where we will cook together, live together and travel as we minister in the Promised Land. We will also make sure we have some time to play, and explore some of the major sites of Israel. These tours are generally for 18-35 year-olds. The Lord will use you mightily as you reach out to Israelis, hear their stories, and share yours!
